Dear Paula Boyden,

We have been informed via internet on a video published by your organization on the illegal dog trade from Hungary to the United Kingdom.

It is the unambiguous intention of the Hungarian Veterinary Chamber that we bring the case to the police and to the National Veterinary Health Service due to suspect of crime, and we also plan to initiate an ethical procedure within the chamber as our fundamental interest is to start a most serious procedure against Hungarian veterinarians playing role in this fraud.

Therefore I kindly ask you to send us the following documents/evidences:

- Your written statement on exact date and place of the records with the names of the Hungarian veterinarians shown or interviewed.
- The unedited part of the records where Hungarian veterinarians can be seen in a way that their faces are shown.

Thank you for your help in advance.

Best regards:

dr. Gábor GÖNCZI
President of the Hungarian Veterinary Chamber
